This concert is presented in collaboration with the University of Toronto's Faculty of Music. Making his Esprit debut, the sensational young cellist Bryan Cheng performs a work by Gabriel Prokofiev (Roger D. Moore Visiting Composer at the faculty). With his background as a producer of hip-hop, grime and electro records infusing his composition, the London-based composer – and grandson of Sergei – is one of today's most distinctive voices in new classical music. Samy Moussa, whose musicianship is rapidly being recognized, appreciated and rewarded internationally, joins Esprit to conduct the premiere of his new work along with a work by German composer Peter Ruzicka. This performance also features works by Zosha Di Castri and Unsuik Chin.
